## Eco Fares

At Air Transat, our goal is to offer passengers the best vacation possible. That's why we've created Eco Fares, a range of fare classes that offer the flexibility to cancel or modify a flight for free or for a nominal fee, plus loads of other built-in perks.

### Our Eco Fares are as follows:

**Eco Budget:** Our lowest rate, with no flexibility and no checked baggage allowance.

**Eco Standard:** Our best-value rate, with change and cancellation for a fee, including one piece of checked baggage and standard seat selection.

**Eco Flex:** Our maximum flexibility rate, including free cancellation and change as well as plenty of extras, such as two pieces of checked baggage, priority airport services and any seat selection based on availability.

**The three Eco Fares are available on the GDS. They can be identified via the Branded fares and our Fare Basis logic.**
